## Industrie 4.0 meets AI

The world's leading industrial show is driving digital transformation forward. This is reflected in its motto "Integrated Industry – Industrial Intelligence" and by the presence of more than 6,500 companies actively engaged in the digital networking of society and technology in the era of artificial intelligence.

**Sweden –  
Partner Country 2019**  
"Innovate with us!"

Sweden seeks partners as it targets innovation and the digital transformation. Grab this excellent chance to make top contacts in the Partner Country at HANNOVER MESSE 2019.
